April 19th

IMPORTANCE OF THE PSYCHOPEDAGOGY DEPARTMENT AT LAKESIDE

The psychopedagogy department focuses on guaranteeing a suitable learning environment for students and ensuring that their educational needs are met; its mission is for the student to perform satisfactorily in the educational environment.

As a discipline that focuses on understanding the characteristics of each student, it allows for tailoring instruction and providing a personalized approach that maximizes individual potential.

At Lakeside we have a Psychopedagogy department headed by Paola Gonzalez, who focuses on making a diagnostic and a learning plan, relying on the abilities and not on the difficulties of our students.

As an agent of learning enhancement, Miss Paola recognizes that everyone (regardless of differences in pace and processes) can learn and contribute to society. She observes classes on a regular basis to analyze classroom behaviors in order to propose learning strategies to parents and students.

At Lakeside we work for the benefit of the student, promoting educational inclusion and making sure that everyone has the same opportunities to study.

Our Psychopedagogy department is here to support you. If you need help, do not hesitate to contact the Stage Director and Miss Paola.

Paola Gonzalez:

Degree in Psychology, specializing in cognitive behavioral psychotherapy. Experience working with children, adolescents and adults.

ROY'S CIRCLE IS WAITING FOR YOU

As we have already mentioned, Roy's Circle is a project designed for all those parents of the Lakeside community who are foreigners, residents in our country and who do not speak our Spanish language, nor necessarily English. The purpose is to create a social circle that allows acquaintanceship and exchange of experiences to create new bonds and learn the Spanish language and Mexican culture.

The main objectives of a school community are to encourage those who are part of it to have a good sense of belonging, to have good communication with those around them and to improve coexistence.

Roy's circle will have a monthly cost of \$6,500 per participant (8 classes per month).

Interested foreign moms and dads will have a 1 hour class on Mondays and Wednesdays from 3:00 pm to 4:00 pm. During that time you can leave your children at school, and they will join the class assigned to them at that time in the Afterschool (cost included in the monthly fee of Roy's Circle).

The cost of Roy's Circle will be the same if you attend alone or with your children.

We start next Monday, April 29th at 3:00 pm.

To register, click on the following link.
