### WE ARE WAITING FOR OUR YOUNGEST LAKESIDERS!

Each new school year fills us with excitement knowing that we will soon be welcoming our youngest Lakesiders: our Kindergarten students.

And because we want the community to continue growing together, we have exclusive benefits for our families: the siblings of our Lakesiders who are interested in entering Kindergarten will be able to enjoy the following benefits for the 2024-2025 school year:

- The initial evaluation will be free of charge.
- Kinder 1 and Kinder 2: No registration fee.
- Kinder 3: They will pay 50% of the registration fee.
- Kinder 1, Kinder 2 and Kinder 3: The comprehensive fee will have a total cost of \$7,500.
- PROMOTION IN EFFECT DURING APRIL AND MAY 2024.

Attached are the costs for the next school year for your reference.

# LOYALTY PROGRAM AT LAKESIDE

Over the years, our Lakeside community has grown because of the recommendations that many families make of our work.

Always grateful for your trust, we offer you the following benefits if any of your referrals enroll in the school.

## **Discount for referrals:**

They will receive a 20% discount on the enrollment fee (depending on the payment method chosen), for each referral they enroll until the deadline on August 31st.

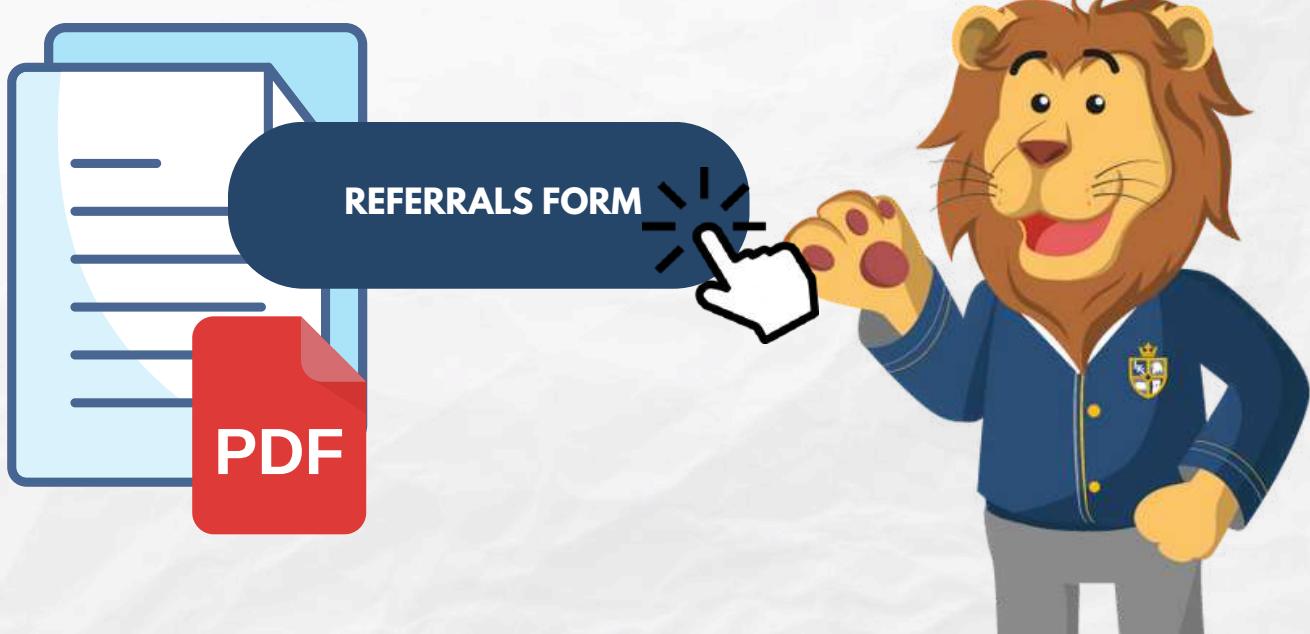

If they made the enrollment payment before their referral enrolls with us, the 20% discount will be applied to the September tuition.

## **Loyalty program:**

If you enroll 5 referrals, you will receive a 25% tuition discount for the entire school year. Applies only if 5 referrals are enrolled until the deadline on August 31st.

This benefit is independent of the referral discount.

If any of your referrals have already enrolled in the school, please fill out the following form, print it and hand it in at the Cashier's Office so that the corresponding benefits can be applied.

# CRAZY WEEK IN KINDERGARTEN

During the week leading up to the Children's Day celebration, Lakeside organized a series of special activities and events for our Preschoolers to celebrate childhood, highlight the importance of games and creativity.

Throughout the week, the school has been filled with color and joy as the Lakesiders show off their most extravagant hairstyles and original wigs, as well as fun pajamas that never cease to amaze us; we are willing to welcome the superheroes who will fill the school with energy.

With the help of teachers and parents, the children learned, had fun, showed their tastes, their creativity and above all had a great time with their classmates.

This celebration not only fosters joy and fun, but also promotes fellowship and strengthens the bond between students and teachers, providing them with spaces of expression and encounter that enrich their educational experience.
